

I listen to the K-Love radio station in my area, 88.1, many times a day and it constantly encourages me. I find peace and joy while listening to it, and it also refreshes me. I can tell you of numerous stories I have heard on K-Love of how it has a positive influence on communities around the United States and the world. Thousands of people are being changed by K-love daily. When you listen to K-Love, you not only feel a connection to people in your town or community, but you also feel a bond with people from around the world. I believe that K-Love is in the public's best interest for it changes lives daily. The songs penetrate deeply and effect people greatly.
